**LETTER OF RECOMMENDATION**

**TO WHOM IT MAY CONCERN**

It gives me immense pleasure to recommend **Mr. Alazar Tegene Tadesse** one of my best students and I know this candidate since 2016. I have taught **Electrical Engineering LAB & Introduction to control systems**, during his course of study for five academic years, got an opportunity to observe him in close quarters, and perceived that his intelligence, diligence & honesty over weighted any other student in his class. He inherently possessed steady positive attitude in accomplishing his academic commitments to the utmost satisfaction of his superiors.

I also found that he is academically strong consistently throughout his stay, and evidenced that the academic track record is commendable and laudable.

I strongly feel that the above mentioned candidate will implement his technical and innovative skills which he assimilated during his course of study in this esteemed organization, also inferred that he is capable and proficient enough to perform all the assigned activities and deeds conscientiously and can fetch good remarks and results.

I concretely confirm that this candidate is goal oriented, reliable, amicable and will be one of the most suitable assets for any precious institution or organization like yours wishing to add him to your staff list and can work and engage himself tirelessly, work for the mutual benefits and progression.

With all the above credentials and caliber, I whole-heartedly recommend to the student who impressed me much and wish him all success for any of his endeavor he chooses to pursue.

If there is any question regarding to his reference please feel free to contact me at any time.

Yours sincerely
